## ELDER CONNIE BRASWELL

Connie Braswell Constance (Connie Corlew) Braswell is a native of Springfield, Ohio. She is the eldest of six children born to Elder Robert L. & Carmen Corlew, Sr. Connie was a very creative and expressive child who would soon discover that what set her apart as a child and teenager, would also become her ministry. Feeling sheltered from being raised as a "PK" (preacher's kid), Connie decided to go against her upbringing and made some choices that led her on a roller coaster ride of life lessons. Those experiences quickly helped her realize that the world had nothing good to offer her.

She left home to serve in the Air Force in 1996, where she met and married her husband, Levi E. Braswell, Jr. on September 22, 1997. Two weeks later they both re-dedicated their lives back to Christ. God began using Connie and her passion for the arts as she began singing, miming, and ministering in powerful plays. She became a play writer and director herself.

The next 10 years allowed her to be used in a very powerful way in ministry in those areas. She has ministered at marriage conferences, served as marriage counselors, actors, dancers, productions assistants/directors, preachers, and speakers.

The most admirable quality about Connie is that she is tangible to all people. She has never allowed her position or title to make her feel entitled; most people affectionately call her Ladii C or Mrs. Braswell. She is a humble servant and works in all areas of ministry. In August of 2019, she opened the doors to her own school called, Impacting New Generations Academy. INGA is a private education program that educates children in grades Kindergarten up to the 7th grade. To find out more about her school vision and the exciting impact she is making on education you can visit [ingacademy.org](http://ingacademy.org).

Connie served a total of 10 years in the United States Air Force and United States Air Force Reserve. She holds a Bachelor of Science Degree in Social Psychology from Park University. She was licensed as a minister in the PAW (Pentecostal Assemblies of the World) in 2005 under Bishop Ronald M. Logan in Springfield, Ohio. In 2010, the Braswell's relocated to Georgia. While her husband was serving as Assistant Pastor, Connie was ordained as an Elder at Bread of Life Fellowship Church under her mother and father in law, Bishop and Pastor Levi and Shirley Braswell.

She will graduate in May 2021 with a Masters Degree, in Educational Leadership and S.T.E.A.M. Certification from Antioch University. Connie is a friend to many, encourager, life coach, and much more. If you ever get a chance to really get to know her, she is most known for her very keen sense of humor. Very few have come into her presence without leaving in tears from extreme laughter. Connie and her husband share three children, Levi III 20, Kiara 19, and Caleb 8. They are members of Bread of Life Fellowship Church where her husband is the Pastor.
