WELCOME HOME!

A MESSAGE FROM PASTOR PAUL

A new year! Wow! Now that 2020 is here, we can all turn our focus to new things. New relationships, new health goals, and new opportunities. A new year brings all of this. And why not look forward to the new. We all enjoy that. But let's not forget some of the "old." The struggles that helped us to appreciate the "new" that we now face. Some of us struggled just to make it to the next day, the next month, the next job, or even the next relationship. But as children of God, our struggles should not only help us look to the new, but they should also make us stronger. Our struggles help us to thrive. For some of us, if there were no struggles, we would not have had the strength to survive and to now thrive. Let us go into this New Year with a mindset to thrive. Thrive simply means that even though things may not be what or where we want them, we are still active and able for the next step or next opportunity. Our Lord and Savior Jesus Christ will give us what we need to thrive on our Christian journey. However we need to remember that all days are not promised to be good, and nor will all of our days be bad. But with Christ and through Him we are given what we need to survive and thrive.

HAPPY NEW YEAR!

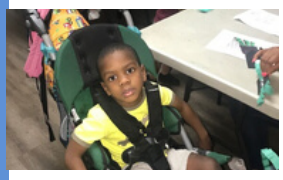
PARENTS' NIGHT OUT

Champions Ministry Parents' Night Out is a free program open to children with disabilities as well as their siblings. Parents' Night Out is held every first Friday of the month from 6:00 PM to 9:00 PM. Children enjoy activities such as open gym play, music, crafts, and more. This is an opportunity for parents to take a break and have a night out, while leaving their children in the care of our responsible volunteers. If you or anyone you know is interested in registering their child, please contact Carol Small at (478) 442-0437.



VISION NIGHT

Write the vision and make it plain! Our Vision Night for this year is here! Join us in the Main Sanctuary on January 8th at 6:45 PM, as we gather to hear from Pastor Paul as he shares the 2020 Vision God has given him for BMZ. We encourage every member of the BMZ family to be in attendance. This will be a night of reflection, vision casting, and celebration. We hope to see you there.
